Los Angeles, California 90012

  
PATRICK OGAWA  
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO EXECUTE FOUR NEW CONTRACTS FOR  
THE PEDESTRIAN PLANS PROJECT  
EFFECTIVE FEBRUARY 1, 2016 THROUGH AUGUST 26, 2018  
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**SUBJECT**

Request approval to execute four (4) new Pedestrian Plans Project service contracts to support the Department of Public Health's Unincorporated Los Angeles County Pedestrian Plans and Programs Project.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Authorize and instruct the Interim Director of the Department of Public Health (DPH), or her designee, to execute a new contract, substantially similar to Exhibit I, with Alta Planning + Design, Inc., selected under a competitive solicitation process for the provision of Pedestrian Plans Project Planning services, effective February 1, 2016 through August 26, 2018, at a total contract maximum obligation of \$450,000, 100 percent offset by funding from the State of California, acting by and through its Department of Transportation (Caltrans) for the Active Transportation Program (ATP), to support DPH's Unincorporated Los Angeles County Pedestrian Plans and Programs Project.
2. Authorize and instruct the Interim Director of DPH, or her designee, to execute three (3) new contracts, substantially similar to Exhibit II, with Antelope Valley Partners for Health, Los Angeles Neighborhood Initiative, and Young Women's Christian Association of Greater Los Angeles, California (YWCA Greater Los Angeles) selected under a competitive solicitation process for the

provision of Pedestrian Plans Project Outreach services, effective February 1, 2016 through August 26, 2018, at a total contract maximum obligation of \$200,000 as detailed in Attachment A, 100 percent offset by funding from the State of California, acting by and through Caltrans for ATP, to support DPH's Unincorporated Los Angeles County Pedestrian Plans and Programs Project.

3. Delegate authority to the Interim Director of DPH, or her designee, to execute amendments to the contracts that adjust the term through February 26, 2019; allow the rollover of unspent contract funds; and/or provide an increase or decrease in funding up to 10 percent above or below the term's base maximum obligation, effective upon amendment execution or at the beginning of the applicable contract term, and make corresponding service adjustments, as necessary, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office.

4. Delegate authority to the Interim Director of DPH, or her designee, to execute change notices to the contracts that authorize modifications to or within phases within each action plan, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of Recommendations 1 and 2 will allow DPH to execute four (4) contracts with qualified agencies to implement DPH's Pedestrian Plans Project (project). The project will incorporate the following core components: 1) tailored, culturally-competent outreach; 2) community participatory planning via collaboration with key agency, community leaders, and residents; 3) data collection and analysis; and 4) a pedestrian safety awareness campaign that includes education and encourages activities specific to the following four (4) County unincorporated communities: Lake Los Angeles, Walnut Park, West Athens-Westmont, and West Whittier-Los Nietos. These unincorporated communities were selected based on need, and potential impact, and to meet the grant requirements. In addition, these communities represent the diverse urban, suburban, and rural communities in Los Angeles County (County), as well as the great cultural and linguistic diversity of the region.

The outcome of the project will be the development of Pedestrian Plans (Plans) to be adopted by your Board and incorporated into the County's General Plan or each community's Area Specific Plan (up to four [4] Plans). The development of the Plans will contribute to increased and safer pedestrian activity in the unincorporated communities and aims to benefit all residents, but in particular it will benefit key priority populations. The priority populations within these communities include: youth, transit users, seniors, disabled people, and residents of low socio-economic status.

The Planning contractor will work in partnership with DPH and the Outreach contractors, to develop Plans throughout the four (4) unincorporated communities. Using a community-driven approach led by the Outreach contractors, the planning contractor will develop culturally relevant project branding and outreach materials, collect and analyze data, lead participatory planning events, assist in the launch of pop-up urbanism events, and present plans to the communities and County stakeholders.

The Outreach contractors will lead culturally relevant outreach efforts to gather community input for the development of the plan, help promote walking, and encourage greater civic engagement. The contractors will work with DPH and the Planning contractor to: organize community events, conduct pedestrian and bicycle counts, assist in organizing the pop-up urbanism event, assist in a

pedestrian-safety awareness campaign launch, and expand or increase pedestrian-focused programs.

Approval of Recommendation 3 will allow DPH to execute amendments to the contracts to adjust the term of the contracts; rollover unspent funds, and/or increase or decrease funding up to 10 percent above or below the base maximum obligation, effective upon amendment execution, and make corresponding service adjustments, as necessary. This recommended action will enable DPH to amend contracts to adjust the term for a period of up to six (6) months beyond the expiration date. Such amendments will only be executed if and when there is an unanticipated extension of the term of the applicable grant funding to allow additional time to complete services and utilize grant funding. This authority is being requested to enhance DPH's efforts to expeditiously maximize grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant funds.

Recommendation 3 will also enable DPH to amend contracts to allow for the provision of additional units of funded services that are above the service level identified in the current contract and/or the inclusion of unreimbursed eligible costs, based on the availability of grant funds and grant funder approval. While the County is under no obligation to pay a contractor beyond what is identified in the original executed contract, the County may determine that the contractor has provided evidence of eligible costs for qualifying contracted services and that it is in the County's best interest to increase the maximum contract obligation as a result of receipt of additional grant funds or a determination that funds should be reallocated. This recommendation has no impact on net County cost.

Approval of Recommendation 4 will allow DPH to execute change notices to the contracts that authorize modifications to or within phases within each action plan, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

### **Implementation of Strategic Plan Goals**

The recommended actions support Goal 2, Community Support and Responsiveness, and Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The total program cost for the four (4) recommended Pedestrian Plans Project contracts is \$650,000, effective February 1, 2016 through August 26, 2018; 100 percent offset by funding from the State of California, acting by and through Caltrans for ATP.

There is no net County cost associated with this action.

Funding for these contracts is included in DPH's Adopted Budget for fiscal year (FY) 2015-16 and will be included in future FYs, as necessary.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On May 18, 2010, your Board approved a County-State Master Agreement covering various State transportation programs. This Master Agreement sets forth the responsibilities of the County and Caltrans with regard to programming, funding, constructing, and maintaining projects funded under various State transportation programs. It further provides that the Master Agreement may be

supplemented as each State-funded project is identified and programmed. Approval of a supplemental agreement, which is a prerequisite to receiving State funds, is a ministerial act on the County's part to satisfy State requirements to allow the County to claim State reimbursement on State funded projects.

On September 26, 2013, Governor Brown signed legislation creating the ATP. The ATP consolidates existing federal and State transportation programs, including the Transportation Alternatives Program, Bicycle Transportation Account, and State Safe Routes to School program, into a single program with a focus on making California a national leader in active transportation.

On March 21, 2014, Caltrans released a Funding Opportunity Announcement under the ATP which authorizes ATP grants to jurisdictions, health departments, school districts, transit agencies, and Metropolitan Planning Organizations for the development and implementation of active transportation plans, programs and infrastructure projects to decrease injuries to people walking and bicycling, encourage greater rates of walking and bicycling in the State of California, and decrease other health impacts that result from people driving.

On May 21, 2014, DPH submitted an application in response to Caltrans' ATP Funding Opportunity Announcement, requesting \$1,445,000 for three years with the anticipated starting date effective upon receipt of the grant.

On May 5, 2015, your Board delegated authority to the Interim Director of DPH to accept and implement a forthcoming supplemental agreement to the Master Agreement between the County of Los Angeles and the State of California, acting by and through Caltrans for ATP, in an amount estimated not to exceed \$1,445,000, for a 36-month term to be effective upon receipt of funding, to support DPH's Unincorporated Los Angeles County Pedestrian Plans and Programs Project. On November 24, 2015, DPH notified your Board that it was exercising this delegated authority to accept the supplemental agreement in the amount of \$1,445,000 for the period of August 27, 2015 through August 26, 2018.

Exhibits I and II are the contract templates approved by County Counsel. Attachment A is a list of the recommended proposers with the funding breakdown and Attachment B is the contracting opportunity announcement on the County websites.

## **CONTRACTING PROCESS**

On July 30, 2015, DPH released the Pedestrian Plans Project Request for Proposals (RFP) 2015-002 to solicit proposals from qualified organizations to implement the Pedestrian Plans Project for Planning (Category A) and Outreach (Category B) services.

The contracting opportunity announcement was posted on the County of Los Angeles Online website and DPH's website (Attachment A), and a Notice of Intent to release the RFP was sent by electronic mail to over 100 agencies in the County affiliated with DPH as well as an extensive DPH listserv. DPH received eight (8) proposals from seven (7) agencies by the submission deadline, four (4) for Category A and four (4) for Category B. The proposals were evaluated by a committee that consisted of representatives from various programs within DPH and external panelists with subject matter expertise in accordance with the Evaluation Methodology for Proposals – Policy 5.054 approved by your Board on March 31, 2009. Two (2) of the proposals from Category A were disqualified and deemed non-responsive to the RFP because they did not meet all of the minimum

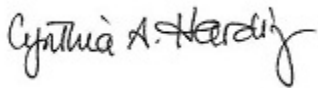

mandatory requirements. One (1) of the disqualified proposers requested a Disqualification Review. The Disqualification review was performed by a subject matter expert not affiliated with the RFP who determined that the disqualification was appropriate.

On December 9, 2015, notifications of the RFP results were sent to five (5) agencies. A debriefing was offered to the non-selected agency. Subsequently, this agency requested and received a debriefing. The agency then submitted a Notice of Intent to Request a Proposed Contractor Selection Review (PCSR). No transmittal forms to request a PCSR were received by the deadline. Therefore, DPH is recommending that the Board approve the recommended four (4) contracts. One (1) agency is receiving two (2) contract awards for Category B for two different unincorporated areas. DPH has obtained a Letter of Intent from each of the recommended Proposers.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommended actions will allow DPH to award new contracts to agencies that will develop Plans to improve public health by promoting safe walking in four unincorporated communities within Los Angeles County.

Respectfully submitted,

A handwritten signature in cursive script that reads "Cynthia A. Harding".

B. Contractor: The sole proprietor, partnership, corporation or other person or entity that has entered into this Contract with the County.

3. DESCRIPTION OF SERVICES:

A. Contractor shall provide services in the manner described in Exhibit A (Activity Reimbursement Action Plan), attached hereto and incorporated herein by reference.

B. Contractor acknowledges that the quality of service(s) provided under this Contract shall be consistent with the degree of skill and care ordinarily exercised by members of the same profession operating under similar circumstances.

C. If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Contract, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

4. TERM OF CONTRACT:

The term of this Contract shall be effective February 1, 2016 and shall continue in full force and effect through August 26, 2018, unless sooner terminated or extended, in whole or in part, as provided in this Contract.

Upon occurrence of this event, the Contractor shall send written notification to the Division of Chronic Disease and Injury Prevention at the address herein provided in Paragraph 21, NOTICES.

5. MAXIMUM OBLIGATION OF COUNTY:

D. No Payment for Services Provided Following Expiration/

If this Contract is terminated prior to the close of the contract period, the cost report shall be for that Contract period which ends on the termination date.

The report shall be submitted within thirty (30) calendar days after such termination date.

The primary objective of the annual cost report shall be to provide the County with actual expenditure data for the contract period that shall serve as the basis for determining final amounts due to/from the Contractor.

If the annual cost report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or, at the Director's sole discretion, a final determination of amounts due to/from Contractor is determined on the basis of the last monthly billing received.

Failure to provide the annual cost report may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

G. Upon expiration or prior termination of this Contract, Contractor shall submit, within thirty (30) calendar days, any outstanding and/or final invoice(s) for processing and payment.

H. Withholding Payment:

(1) Subject to the reporting and data requirements of this Contract and the exhibit(s) attached hereto, Director may withhold any payment to Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract, or if such report or data is incomplete in accordance with requirements set

forth in this Contract. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, Director may withhold any claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). This withholding may be invoked for any month or months for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, Director shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Contract, if the services are not completed by Contractor within the specified time, Director may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.

(5) In addition to Sub-paragraphs (1) through (4) immediately above, Director may withhold payments due to Contractor for amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior year's Contract(s) between the County and Contractor. The withheld payments will be used to pay all

amounts due to the County. Any remaining withheld payment will be paid to the Contractor accordingly.

(6) Director may withhold any payment to Contractor if Contractor, in the judgment of the County is in material breach of this Contract or has failed to fulfill its obligations under this Contract until Contractor has cured said breaches and/or failures. Director will provide written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

I. Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement under this Contract for at least sixty (60) days at any point during the term of this contract.

7. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director's specific written approval, as authorized by the County's Board of Supervisors, County may: 1) increase or decrease funding up to ten percent (10%) above or below each term's annual base maximum obligation; 2) reallocate funds between phases within this Contract where such funds can be more effectively used by Contractor; and 3) make modifications to or within activities within each phase, as reflected in Exhibit A. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between budgets in this Contract shall be effectuated by an administrative amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

8. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph shall be conducted by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by county in its sole judgment, County shall be entitled to retain its own counsel, including limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to

B. Written Employee Jury Service Policy:

(1) Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall

have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

(3) If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

(4) Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, at its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

32. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any

capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

B. The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

33. CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS:

Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall

report all job openings with job requirements to [GainGrow@dpss.lacounty.gov](mailto:GainGrow@dpss.lacounty.gov) to obtain a list of qualified GAIN/GROW job candidates.

The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for

Contractor shall provide such other information and records as such representatives may require in order to verify compliance with the anti-discrimination provisions of this Paragraph.

F. If County finds that any provisions of the Paragraph have been violated, the same shall constitute a material breach of Contract upon which Director may suspend or County may determine to terminate this Contract. While County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a

determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity commission that Contractor has violated Federal Equal Employment Opportunity Commission that Contractor has violated federal or State anti-discrimination laws shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Contract.

G. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

61. REPORTS: Contractor shall make reports as required by County concerning Contractor's activities and operations as they relate to this Contract and the provision of services hereunder. In no event, however may County require such reports unless Director has provided Contractor with at least thirty (30) calendar days' prior written notification thereof. Director's notification shall provide Contractor with a written explanation of the procedures for reporting the information required.

62. RECYCLED CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Contract.

County and its Department of Public Health (DPH) shall make the determination to re-solicit bids or request proposals in accordance with applicable County policies.

Contractor acknowledges that County may enter into a contract for the future provision of services, based upon the bids or proposals received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids or request for proposals by virtue of its present status as Contractor.

64. STAFFING AND TRAINING/STAFF DEVELOPMENT: Contractor shall operate continuously throughout the term of this Contract with at least the minimum number of staff required by County. Such personnel shall be qualified in accordance with standards established by County. In addition, Contractor shall comply with any additional staffing requirements which may be included in the Exhibits attached hereto.

During the term of this Contract, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of persons by name, title, professional degree, salary, and experience who are providing services hereunder. Contractor also shall indicate on such list which persons are appropriately qualified to perform services hereunder. If an executive director, program director, or supervisory position becomes vacant during the term of this Contract, Contractor shall, prior to filling said vacancy, notify County's Director. Contractor shall provide the above set forth

required information to County's Director regarding any candidate prior to any appointment. Contractor shall institute and maintain appropriate supervision of all persons providing services pursuant to this Contract.

Contractor shall institute and maintain a training/staff development program pertaining to those services described in the Exhibit(s) attached hereto. Appropriate training/staff development shall be provided for treatment, administrative, and support personnel. Participation of treatment and support personnel in training/staff development should include in-service activities. Such activities shall be planned and scheduled in advance; and shall be conducted on a continuing basis. Contractor shall develop and institute a plan for an annual evaluation of such training/staff development program.

A. For purposes of this Contract, subcontracts must be approved in advance in writing by Director or his/her authorized designee(s). Contractor's request to Director for approval of a subcontract shall include:

(1) Identification of the proposed subcontractor, (who shall be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(2) A detailed description of the services to be provided by the subcontract.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director shall review Contractor's request to subcontract and shall determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Contract, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Contract.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent shall be provisional, and shall not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

G. Subcontracts shall contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS Paragraphs and all of the provisions of this Contract.

Contractor shall deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Contract, on or immediately after the effective date of the subcontract,

but in no event, later than the date and any services are to be performed under the subcontract.

H. The Contractor shall obtain certificates of insurance which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor.

I. Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

J. The Contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

K. The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

66. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN

COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM: Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 35, CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of

written notice shall be grounds upon which the County may terminate this Contract pursuant to, Paragraph 67, TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

67. TERMINATION FOR CONVENIENCE: The performance of services under this Contract may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a thirty (30) calendar day advance Notice of Termination specifying the extent to which performance of services under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

- A. Stop services under this Contract on the date and to the extent specified in such Notice of Termination; and
- B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect

to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of five (5) years after final settlement under this Contract, in accordance with Paragraph 15, RECORD RETENTION AND AUDITS, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within ten (10) calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

68. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County

may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County for such similar services.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Contractor was not in default under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 66, TERMINATION FOR CONVENIENCE.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

69. TERMINATION FOR GRATUITIES AND/OR IMPROPER

CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination,

County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

70. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

- A. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether Contractor has committed an act of bankruptcy or not, and whether Contractor is insolvent within the meaning of the Federal Bankruptcy Law or not;
- B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;
- C. The appointment of a Receiver or Trustee for Contractor;
- D. The execution by Contractor of an assignment for the benefit of creditors.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem

appropriate, services similar to those so terminated, and Contractor shall be liable to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

71. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

72. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

73. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it

can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

74. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

75. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

76. WAIVER: No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

77. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

78. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

79. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set

forth in Paragraph 77, WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

Should the Contractor fail to correct deficiencies within said time frame, the Director may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. D. This sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in sub-paragraph B above, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

B. Written Employee Jury Service Policy:

(1) Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may

also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, at its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

32. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. B. The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware

of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

33. CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS:

A. Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to [GainGrow@dpss.lacounty.gov](mailto:GainGrow@dpss.lacounty.gov) to obtain a list of qualified GAIN/GROW job candidates.

A. Responsible Contractor: A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of the County Code: The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

C. Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the

following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of five (5) years after final settlement under this Contract, in accordance with Paragraph 15, RECORD RETENTION AND AUDITS, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a

location in Los Angeles County and shall be made available within ten (10) calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

68. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County for such similar services.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Contractor was not in default under the provisions of this paragraph, the rights and obligations of the parties shall be the same as

if the notice of termination had been issued pursuant to Paragraph 66, TERMINATION FOR CONVENIENCE.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

69. TERMINATION FOR GRATUITIES AND/OR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

70. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

- A. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether Contractor has committed an act of bankruptcy or not, and whether Contractor is insolvent within the meaning of the Federal Bankruptcy Law or not;
- B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;
- C. The appointment of a Receiver or Trustee for Contractor;
- D. The execution by Contractor of an assignment for the benefit of creditors.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

71. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors

appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

72. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

73. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

74. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees.

Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

75. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

76. WAIVER: No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

77. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

78. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED  
PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

79. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN  
COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION  
PROGRAM: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 77, WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Contract to be subscribed by its Interim Director of Public Health, and Contractor has caused this Contract to be subscribed in its behalf by its duly authorized officer, the day, month, and year first above written.
